## **WHAT TO EXPECT FROM YOUR VISIT WITH PSP . . .**

You have been invited to visit PSP because your sponsoring company is interested in your career potential. PSP specializes in measurements that benchmark abilities, interests and work style as they relate to specific career positions. The information obtained will help in reviewing your present and future career direction. The PSP assessment will also be useful to your sponsor for better understanding of your strengths and growth potential.

## **THIS IS WHAT HAPPENS**

The process at PSP consists of three steps. The time required varies and may take to mid-afternoon.

### **STEP 1**

Early in the day you will meet with the PSP consultant who is responsible for you while you are here. In that meeting the procedures will be reviewed and you will be given an opportunity to ask any questions you may have.

### **STEP 2**

You will spend most of the day taking professionally developed tests designed to identify your major strengths, your interests and your work style. You will also be asked to provide career background information that will be used during your interview. Please bring your résumé if available.

### **STEP 3**

The PSP consultant will then review with you the information garnered from the results of your tests. The aim is to understand the strength of your abilities, the way you like to work, and your goals and ambitions, as well as to suggest areas for future development.

## **HOW YOU MAY BENEFIT FROM YOUR VISIT WITH PSP...**

Looking at yourself objectively can be very helpful to you, not only in the way you perform in your present position, but also as you look at future jobs and advancement. The PSP consultant will discuss the results with you in detail before you leave our offices. We also will provide a summary of the highlights of your assessment to those who sponsored your visit to PSP.

## **WE ARE EASY TO LOCATE**

PSP is located in Suite 1900 on the 19th floor of The Frick Building, which is located at 437 Grant Street between Forbes and Fifth avenues, across from the Allegheny County Courthouse. (On weekends, please use the Fifth Avenue entrance.) You may need to provide photo identification to the building security staff when entering the building. Coffee, tea, water and soft drinks are available in our kitchen. We can provide information about nearby restaurants for your lunch break.

## **PARKING AND PUBLIC TRANSPORTATION**

Parking is conveniently available at several nearby locations indicated on the map below. For information on public transportation, contact the Port Authority of Allegheny County at 412/442-2000 or visit their web site at [www.ridegold.com](http://www.ridegold.com). The Steel Plaza subway station is located in One Mellon Center across Grant Street and past Fifth Avenue, and buses travel on nearby streets.
